Funded Early Education for three and four year olds in Swindon

If you have a three or four year old child, did you know they can go part time to a pre school or nursery provider for free?

Funding starts the term following the child's third birthday eg:

Children born between

01 April and 31 August funded in September

01 September and 31 December funded in January

01 January and 31 March funded in April

It is up to you where your child goes. There is a list of providers in Swindon with this leaflet.

You don't have to worry about payments. Swindon Borough Council pays the provider direct.

There is plenty of choice - for example some providers can offer longer flexible care.

The best thing to do is to phone the providers direct to ask them for more information and to arrange a good time to visit.

How to find an Early Education provider in Swindon:

- The insert provided with this leaflet will give you details of where the maintained nurseries, daycare nurseries and pre schools and playgroups that offer funded early education are located
- For a list of childminders who can offer funded early education contact the Family Information Service
- For further information about childcare and services for children contact the Family Information Service at Swindon Direct
