Key Stage 1 Newsletter Term 1

Our topic this term is 'we are what we pretend to be.' We will be thinking about animals and farms.

Our Value this term is aspiration. We will be talking about our goals for the year.

Welcome to an exciting year!

This term we will be settling in to our new classes, learning lots of new routines and learning behaviours. We are looking forward to exploring our topic and learning lots of new things.

Show and Tell

We would like to encourage the children to share what they have been doing, achievements or any learning they have done at home. If your child takes part in a club outside of school, attends a special event or completes something 'wow', please encourage them to bring these to school to share with their peers.

Just a reminder—Please do not bring any toys to school as it would be a shame if they got lost or broken.

Colder Weather.

As autumn approaches the weather is beginning to change. Please ensure your child is dressed appropriately. They will need a waterproof coat in school every day and coats, hats and gloves for colder days as we aim to go outside whatever the weather.

- ★ Homework ★
- ★ It is expected that children complete spelling homework each week. ★
- ★ Homework goes home on Mondays and is due back on Thursday. We will complete a spelling test each week, so it is important that your child has time at home each day to practise their spellings. We will focus on common exception words until these can be spelt correctly. ★
- ★ Please support your child with these activities and help them to have pride in their work. We are looking for high quality work with super handwriting and effort. Children will also receive handwriting and phonics homework if required. ★
