

Year 3/4 Newsletter

This term our value is:
Aspiration—a hope or ambition to achieve something

Dear Parents/ Carers,

This term our topic is based around the statement 'We are what we pretend to be'. During the term we will be exploring the book 'Once Upon a Wish' by Amy Sparkes and Sarah Ogilvie which is about a wish giver boy who grants wishes for other children by making potions. Through the book pupils will explore instructions and story writing. In Maths we will focus on place value (value of digits, ordering, the 4 calculations and problem solving) and in science we will be examining 'Plants' in Year 3 and 'States of Matter' in Year 4. Our Geography this term will be based around maps and directions in the local area. Please remember that our value is aspiration this term and talk to your child about what they aspire to achieve either in school, at home or personally in their life.

Thank you
