

Autumn Term 1 September 2021

Hi Everyone,

Welcome to Nursery! We hope you and your child have a busy and fun filled year with us. Here are some of the things we will be learning about and some useful information.

Our Topic this term is Marvellous Me!

We will be talking to each other about our families and ourselves. Everyone is unique and we will be celebrating our similarities and differences, whilst encouraging our children to develop a positive attitude towards each other.

We will be settling in and learning new routines and how to listen to each other carefully.

Our curriculum involves using the outdoors as well as the indoors and it is important that your child is dressed appropriately for the weather. They will get dirty and wet through the different messy activities on offer and we ask that you make sure your child has spare clothes in a NAMED bag so your child can remain comfortable throughout the session.

Please encourage your child's independence skills by letting them put on / remove their coat/ shoes & socks themselves. If your child has wellies please send them in named!

Here at Mountford Manor we use an online platform – Tapestry to share your child's learning with you. Some of you are already using this – thank you . Look out for your email and click the link to access Tapestry. We look forward to sharing your child's learning with you ☺.

Don't forget

*contributions of £1.00 each week/ £6 per term will help towards covering cooking costs and snack.

* We are happy to talk about any concerns or receive information you feel we need but please be aware in the interest of safety this will be best **AFTER** the session when children are safely with their parents. Any **URGENT** matters may be passed to the teacher as soon as possible.

Kind regards,

Miss Watton, Mrs Rama, Mrs Stockwell - The Nursery Team
