

Nursery News 5

Our Value this term is: **Aspiration**

Summer Term 1 April 2019

Topic: What do you want to be?

This term we will be using all opportunities to become independent in readiness for September including lining up at the gate in the morning.

We will be looking at different occupations that we find in stories and talking about what we aspire to be. Your child will continue to choose a book to share with you at home - remember daily reading with your child is the best thing for your child and will help their communication and interaction skills which are needed to be successful in life.

Look out for the date to share your child's Learning Journey with them at the end of term!

Remember - Your child needs spare clothes and an appropriate coat!

Please send spare clothes – **including socks** – to make sure your child remains comfortable throughout the session (these can be their own clothes BUT they will get dirty!).

Don't forget;

***contributions** of £1.00 each week will help towards covering cooking costs and snack.

* **Balance Ability** will continue on Fridays and it is the turn of those who started in Term 2. Your child will need trainers or daps and trousers. **Those children will be notified.**

We will be encouraging your child to gain independence.

* **Look out for letters** and make sure they give them to you. You can help by asking them if there were any letters.

* **Books** to be changed – please remind your child to put their **folder with book** in the green box provided in the morning.

* We are happy to talk about any concerns or receive information you feel we need but please be aware in the interest of safety this will be best **AFTER** the session when children are safely with their parents. Any **URGENT** matters may be passed to the teacher as soon as possible.
