

English:

We will be using the story book 'Journey' to create their own adventure stories. We will also be using Brunel to write reports and diary entries about his life and his impact on Swindon. We will have lots of opportunities to advance our writing by using expanded noun phrases, conjunctions and exciting

Maths:

In Year 1, we will be adding and subtracting numbers up to 20. We will also be learning about numbers up to 50 and counting in multiples of 2, 5 and 10!

In year 2, we will be learning to multiply and divide 2's, 5's and 10's.

Science:

In Year 1, we will be focusing on plants! We are learning the difference between deciduous and evergreen and all about common plants in the UK.

In Year 2, we will focusing on

D&T:

This term, we are building our own toy vehicle that will be suitable for a nursery child. The children are so excited to be designing their own vehicle which they are going to

Computing:

This term's computing focus will be looking at the range of technological uses. We will finding all the ways technology can be used and comparing it with Victorian tech-

RE:

Children are exploring the religion of Judaism. We will be learning about what Jewish people believe in .

All Aboard!

Topic:

In our Topic work, we will be learning about who Brunel was and how he impacted Swindon. We will be using maps in Geography to see how much Swindon has changed since the Victorian

PSHE/ Values:

Our value this term is Co-operation. Children will learn what this means through our Jigsaw activities.

Music:

The children are very lucky to have a drumming teacher come in each week to teach us new drum beats!

Trip:

We are very excited to be going to the STEAM museum on the 30th of

P.E:

This term we are covering cricket. We are very lucky this term to have a specialist cricket coach come in to show the children the best way to
