

Dear Parent and Carers

Monday 1st November 2021

Welcome back, we hope you had a fantastic half term. We are excited for term 4 as we have a new exciting topic - Extraordinary People. We will be exploring some famous female Scientists throughout History who have made a difference to our world today. Further into the term, we will be reading Wonder, a story about an extraordinary boy who overcomes several challenges in his life.

Just a reminder that our PE days are on Mondays and Tuesdays. Whilst Year 6 do not always do PE on both of these days, can you please remind your child to have their kit in school. We are lucky enough to have another teacher coming into school to support the children with their PE lessons this term specifically with Hockey.

Our value this term is bravery which we will be discussing during assembly time, and in the classroom. Children will be encouraged to show this value and celebrated in our assembly for doing so.

School photographs will be on Monday 8th November.

Once again, we'd like to thank you for your ongoing support and look forward to another brilliant term with Year 5 and 6.

Kind regards,

Mrs Maher and Mr Bullas
